I will ask the group.

Also - do we need to discuss something involving paving on Vashon Island?

Thanks,

Hi Scott,

I've coordinated with the King County team, and on 9/20 we could meet at your office from 3-4p. I would have Deputy Director Bob Burns, Jim Neely, Mark and myself. Would this time work

It looks like the scheduling of our meeting might take some work. Thanks to everyone for getting back to me with your availability. Given that Mr. Fowlow is out of town on another assignment until the 14th of September and his participation is crucial in my opinion, I have had to look for dates out beyond the timeframe initially considered.

It looks like perhaps some time on Thursday, September 20 would work for lots of us. How will that work for the rest? Again, I am happy to host here at the Seattle AGO. The start time could depend upon those coming up from Olympia perhaps 9:30 or 10:00 am?

Let me know if that will work for you.

Thank you again for your ongoing assistance and patience!
